Ultra-light and Foldable Headphones

Overview

Move with Your Music

It is often said that journey matters more than the destination. Make it count with the Flex headphones. It is your constant companion that keeps you going. The ultra-light and foldable headphones let you relish every moment of your music on the move.

Punchy Bass, Clear Natural Vocals

Enjoy powerful, dynamic sound with punchy bass and clear, natural vocals with the responsive 32mm Neodymium drivers. Bring out the best of your music, and make your journey to work, a train commute or a coffee run enjoyable

Light and Comfortable

The softness of the plush leatherette makes the Flex headphones a pleasure to wear. The 90-degree swivel earcups are flexible, to ensure a perfect fit for anyone. This combination makes up an ergonomic design that's comfortable enough to wear all day long.

Fold up and Go

Engineered for music on the go, the earcups can be folded for easy, convenient storage. Its compact design fits easily into almost any bag without taking up too much space.

Talk, Listen, All at Your Fingertips

Take your calls, or listen to music, thanks to a convenient in-line mic and remote. The Flex headphones lets you stay connected while on the move. So, you won't have to reach for your phone to manage your calls and music.
