

LASER PRINTER

Epson AcuLaser™ M2310D/M2310DN/M2410DN

EPSON
EXCEED YOUR VISION

Compact and reliable mono printer for print and cost efficiency

IMAGING INNOVATION

Epson's constant innovation in imaging solutions gives you fast and high-quality printing at exceptional value. With the new compact and dependable Epson AcuLaser™ printers, you can now add professional quality to all your business materials at lower running costs.

- **Optimise productivity with impressive print speed, monthly duty cycle and expandable RAM support**
Maximise time efficiency and enhance workgroup productivity with minimal waiting time, less frequency to replenish paper and an impressive RAM support of up to 320MB*1
- **Greater reliability with duplex printing and low running cost**
Built-in duplexer saves you costs from paper wastage. Experience the convenience of changing your toner via frontal access, cost and time savings for not having to replace the long-lasting fuser unit and PCU
- **Extensive media support with ability to handle big print jobs**
With up to 3 paper cassettes*2, print your documents in different sizes, mediums and weight to produce the creative edge that your business needs
- **Assured print quality with Epson AcuBrite™ Toners**
AcuBrite™ Toners deliver rich, glossy prints and consistent image quality. Enjoy unsurpassed print quality in high resolution of true 1200dpi
- **Network your printer with Ethernet connectivity*1**
Integrated Ethernet connectivity allows printer sharing amongst multiple users within the office

* Refer to specifications for details

IMAGING INNOVATION

Epson's constant innovation in imaging solutions gives you fast and high-quality printing at exceptional value. With the new compact and dependable Epson AcuLaser™ printers, you can now add professional quality to all your business materials at lower running costs.

Epson AcuLaser™
M2310D/M2310DN/M2410DN

OPTIMISE PRODUCTIVITY WITH IMPRESSIVE PRINT SPEED, MONTHLY DUTY CYCLE AND EXPANDABLE RAM SUPPORT

With a fast print speed of up to 35ppm* and monthly duty cycle of 50,000 pages*, you can now print more in less time.

The M2410DN facilitates your business operations with added printing mileage and expandable RAM support of up to 320MB**. Handling bigger print jobs has never been this efficient and easy.

* applicable for M2410DN while M2310D/M2310DN print at 30ppm with duty cycle of 20k pages per month

** applicable for M2310DN/M2410DN

GREATER RELIABILITY WITH DUPLEX PRINTING AND LOW RUNNING COST

Print a double-sided A4 document at 600dpi within 19ppm^ and enjoy the ease of changing toner via frontal access. With a long-lasting fuser unit and PCU, be assured of lower operational costs as replacement of both is no longer necessary.

Through the use of high capacity toner, the M2410DN produces 8,000 page yield^^ that helps keep your operating costs as low as they can go.

^ applicable for M2410DN while M2310D/M2310DN print a double-sided A4 document at 17ppm

^^ refer to specifications for details

Cleans by swiping PCU cleaning feature back and forth a few times

EXTENSIVE MEDIA SUPPORT WITH ABILITY TO HANDLE BIG PRINT JOBS

Create impressive documents with up to 3 paper cassettes² that support a wide range of media including paper, envelope, label and postcard of differing dimension and weightage – from A6 to A4 and 60gsm to 220gsm.

ASSURED PRINT QUALITY WITH EPSON ACUBRITE™ TONERS

Epson AcuBrite™ Toners delivers uniform toner particles and wax distribution for consistently rich image quality. With this unique printing technology, you get superb clarity with high sharpness and outstanding crisp, bold black text, lending a professionalism to your presentations that will impress.

Conventional Toner

Epson AcuBrite™ Toner

Finest Detailing

Epson AcuBrite™ Toners consists of small uniform toner particles. This, along with the electrostatic properties, makes even the finest detail stand out.

Conventional Toner

Epson AcuBrite™ Toner

The uniform distribution of wax provides the optimum amount of wax required for fusion as well as outstanding transparency for OHP presentations.

Smooth Finish

Epson AcuBrite™ Toners' special resin ensures that every print has a high-quality glossy finish.

Better Value

Epson AcuBrite™ Toners not only go through energy efficient production processes, they are shaped optimally with electro-static properties so wastage is reduced during everyday use.

Standard capacity toner cartridge:
3,000 page yield

High capacity toner cartridge:
8,000 page yield*

* applicable for M2410DN

NETWORK YOUR PRINTER WITH ETHERNET CONNECTIVITY**

Ethernet connectivity enables the printer to be shared amongst multiple users within the office, enabling versatility and mobility.

** applicable for M2310DN and M2410DN only

SAVE ENERGY SAVE THE ENVIRONMENT

Accredited under the Energy Star programme, a government initiative spearheaded by the United States that promotes the use of energy-efficient products, these laser printers offer a number of energy-saving features that will help you enjoy significant energy savings and also do your part in protecting our environment.

With the 'Eco-Fuser' mode, the fuser power is switched off automatically after printing to cut down on unnecessary energy usage. Other energy-saving measures include cutting the fan speed by half after about 10 seconds of printing and switching to 'Sleep' mode 15 minutes after the last print job.

For lower resolution print jobs, these laser printers come with a 'Toner Save' mode that allows you to save on toner usage.

PARTNERS IN PERFECTION

Epson Scanners

Scanner GT-1500

An efficient partner for all your office document digitisation needs. Simply scan to archive or to share amazing quality images with accurate colour reproduction.

Epson 3LCD Multimedia Projectors

Epson EB-G5000

High-power projection solutions that provide reliability and outstanding performance in every environment. 3LCD projectors offer superior colour luminance to produce vivid and sharp colour images.

Epson AcuLaser™ M2310D/M2310DN/M2410DN

SPECIFICATIONS

Epson AcuLaser™
M2310D/M2310DN/M2410DN

Weight 11.5 kg (23.35 lb) *3

*1 applicable for M2310DN/M2410DN

*2 applicable for M2410DN while M2310D/
M2310DN hold up to 2 paper cassettes

*3 weight excludes consumables

*4 according to ISO/IEC 19752 yield test report. However, actual yields may vary considerably based on images printed and other factors. The printers come bundled with initial cartridges - with M2310D/ M2310DN offering an average yield of 1,000 pages, while M2410DN offers an average yield of 2,000 pages.
