

Epson EH-TW3600

DATASHEET

Enjoy a big screen experience at home with this great value full HD projector that's ideal for sports, games and film lovers.

With a screen size of up to 300 inches, the EH-TW3600 brings video games, movies and sports to life-making it a versatile alternative to a High Definition television.

Powered by Epson's 3LCD technology, the EH-TW3600 delivers smooth, lifelike images with superb brightness and definition. There's no need to draw the curtains, even in daylight, thanks to the equally high White and Colour Light Output (CLO) of 2000 lumens which powers the projector's natural colours and bright pictures.

Simple to set up, the EH-TW3600 has a fully adjustable lens and zoom to achieve a perfect picture. And a big-screen experience can easily be created in any living room by connecting the projector to set-top boxes, games consoles and DVD/Blu-ray players using the two HDMI inputs.

KEY FEATURES

- Full HD, 1080p big-screen experience
- 3LCD for outstanding picture quality
- A high CLO for easy daylight viewing
- Deep blacks and crisp whites with a high contrast ratio
- Easy installation with adjustable lens and zoom
- Two HDMI inputs for easy connectivity
